Johanna Saint-Pierre

Johanna Saint-Pierre is a French / English singer, amazing pianist and talented songwriter in electro, soul & jazz pop music. She is an artist who likes exploration in music like Goldfrapp or Kate Bush. She has released 3 electro-pop albums, 2 soul pop Eps produced by the **Grammy's Award producer Brian Bacchus** (many Awards for Gregory Porter, signed A&R for Blue Note Norah Jones), 1 EP in deep house with MKL (3 generations walking), and some electro remixes. She collaborates with prestigious DJs and producers between Paris, London and New York.

She signed in **New-York** on the iconic house dance label **Ibadan** for an EP with **Jephté Guillaume** (bass player for Destiny Child, Wycleef). With **the Paris Gospel Choir** (Le chœur Gospel de Paris) she accompanied **Pharell Williams** on a French television set for the song Happy. Actually she's involved with the choir for **Héritage Goldman** (Céline Dion) a French Pias Record Project.

Johanna previously debuted on stage with the rock group **Laplace** at a very young age. Together they opened for the **Rolling Stones** at Olympia as well for a tour with **the Simple Minds**. Johanna performed solo piano voice for her **first USA tour in 2018** in North Carolina and a concert in New York in July 2019.

Johanna's tracks are actually on so many radios. She has more than 1500 monthly plays certified by

radios worldwide. In April 2022, Johanna Saint-Pierre releases her **new pop funk single**, the first single of **her new Album** which is coming soon. This first single, **Don't Stop the Music**, and the album is produced by the great french /english producer and composer **Nicolas Bulostin** (producer, mix and recording for Elton John, Georges Michael, Laurent Garnier). Nicolas Bulostin's work represents sales in excess of 25 millions records worldwide. **Olivier Boscovieth** (visuals &clips for David Guetta et Bob Sinclar) **makes all the clips and covers** for this new album of Johanna.
