

## Bast Maro

Bast Maro, DJ Producer from Aix En Provence in the South of France. He began to produce sounds during the pandemic in collaboration with Fabrice Splinder which made people happy. Their concept, the music that feels good, in an Electro Pop or Electro House atmosphere their concept of captivating vocals and healing vocals with its well-known bass sounds set them apart from most artists.

For over a year, their music has traveled the world to arrive on Reunion Island with collaborations with artists such as Christine Salem or Toulou.

This last meeting allowed to mix two different universes, a Maloya atmosphere with Creole songs in an electro house universe. This energy of the 3 artists gave birth to Maloya Electro Dofé.
